NEW YORK, October 26.—Arthur P. Heinze, associated with his brother, P. Augustus Heinze, in the affairs of the United States Circuit Court, was pretty near landing in the Tombs for a ten days' sentence this afternoon, but at the last moment Judge Ward, in the United States Circuit Court, granted a stay of execution, and Heinze was released under \$2,500 bail pending the filing of an application for a writ of error.

Heinze was convicted some time ago of advising a witness to evade the service of a subpoena at a certain time when the government was attempting to get hold of the books of the United States Circuit Court. Acting as a witness, Heinze was found guilty of perjury and sentenced to serve ten years in prison.

In passing sentence Judge Ray said that the offense of which Heinze stood convicted was a willful, deliberate and premeditated crime, and that the administration of justice, "you advised the covering up and hiding, and furnished the money for witness to leave the United States circuit court, and the administration of the law must be respected." ## Sample Helps Frail Women

So many women are dragging out weary lives just because their digestive organs are weak. The result is poor circulation, nervousness and a verge of invalidism. It is often very unnecessary and the woman's own fault.

The first thing to do is to look to the welfare of your bowels. There the trouble usually lies. All physicians know that a large percentage of women are habitually constipated, and from this results indigestion, piles, weakness, etc. That women constantly complain of this is no reason for taking "female remedies" and things of that kind until you have started your bowels to moving. You will find that when the bowels move regularly once or twice a day all your petty ills will disappear. Take a good, mild laxative like Dr. Caldwell's Syrup Pepsin for awhile, and you will find yourself rapidly getting better and stronger. Your bowels will regulate themselves and work at stated times, and then your headaches and dizziness will disappear. Don't take strong cathartic pills or salts, but just such a mild and pleasant remedy as Dr. Caldwell's Syrup Pepsin.

You can obtain a bottle of your drugist for fifty cents or one dollar, and either size will be enough to permanently cure you. Thousands of women keep it regularly in the house, and will no longer be without it, as it cures every member of the family, down to the youngest child, but if you have never used it take the advice of Mrs. E. S. Cox, 409 Twenty-fifth Street, Moline, Ill., and send to Dr. Caldwell for a free bottle, as they did not learn for yourself what it will do in your own case. That it will cure you, as it did them, there is no doubt.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter, and he will reply to you in detail. For the free sample simply send your name and address on a postcard to Dr. Caldwell, Building, Monticello, Ill.

Gebhardt, accompanied by her two children, sat nearby. She had previously gone on the stand and testified to her husband's general good character and his kind treatment of her, for she is reputed to be a devoted wife. His confession of crime and the fact that he married the Luther girl.

### HER MOTHER MURDERED

**WOMAN Could Keep Secret of the Crime**

**PUNXSUTAWNEY, Pa., October 26.**—Declaring to the district attorney that she was unable to longer keep the fact that her mother had murdered a woman, and stating that she was threatened with a similar fate if she did not keep silent, Mrs. John Kunheimsman, living near here, to-day caused the arrest of her father, William Jones, whom she declares upon oath killed her mother a year ago.

When Mrs. Jones died an investigation was made, but a verdict of "death of unknown causes" was rendered, with the understanding that the woman was her father, William Jones, whom she declares upon oath killed her mother a year ago.

### CHAPTER OF HORRORS

**Two Children Die of Snake Bite and One Dies of Poison.**  
CHENEY, Wyo., October 26.—Dis-tracted to the point of almost losing her reason by the death of her three small children in one day, Mrs. Lent Henderson, of Sundance, is under the continual care of physicians.

Sunday, while Mrs. Henderson was in the yard with the baby she heard the two older children scream. She rushed into the house and found they had been bitten by a huge rattlesnake. While caring for them she heard a faint cry from the baby. Answering this, she saw the little tot fall into a well and drown before it could be recovered. Returning to the house, Mrs. Henderson found the two older children in the throes of death from the reptile's poison.

**BRIGHT'S DISEASE**  
That chronic Bright's Disease is now being cured by treatment that reduces inflammation in the kidneys is beginning to be generally known.

We copy the following from the San Francisco Bulletin, June 22, 1908: "The recovery is reported of Mr. J. Lawton, of 24 Fifth Avenue, San Francisco, who has been suffering from chronic Bright's Disease incurable and diagnosed by five city physicians had passed on and diagnosed the case. The usual symptoms found in extreme cases were reported—excessive dropsy, enlarged kidneys, towards the last the patient could only sleep sitting up, and for six weeks he slept in a chair. Lawton has a cousin, Mrs. W. E. Hoover, of Auburn, who also had an advanced case of Bright's Disease. She had been tapped three times when she heard of Fulton's Renal Compound and made a trial. The result was especially interesting in the treatment, and it resulted in his recovery also. He is a Mason, member of Excelsior Lodge, and many thanks are being tendered to the Fulton's Renal Compound by addressing the John J. Fulton Company, 312 First Street, San Francisco, Cal."

Fulton's Renal Compound can be had in your city of our agents, Owens & Minor Drug Co.

We desire every patient to write us who is not noting the usual improvement by the third week.

## AN ODD MISTAKE THAT WOMEN MAKE

Women are inclined to fall into a mistaken idea that any pain about the hips or in the small of the back is "female weakness," and must be endured as a trouble peculiar to the sex.

Such patience is noble, but too often unnecessary and unwise. Kidney weakness, in man or woman, will cause backache, sharp twinges when stooping or lifting, bearing-down pains, fits of "blues," nervousness, dizziness, headaches, urinary disorders and swelling of the ankles or limbs.

This is the point: Do not worry over supposed female weakness until you are very sure it is not kidney disease that is causing your troubles. The nature of a woman's life and work makes her fall an easy victim of kidney weakness. The bending and stooping of housework, the tight clothing worn, the strain of childbirth and worry of rearing children, the indoor life, colds, fevers and constipation, all tend to weaken the kidneys.

Backache, in any case, is irregularity as the too frequent desire to urinate, painful or scalding passages or sediment in the urine is good cause to judge that you have weak kidneys. Then begin using Doan's Kidney Pills, which have brought new life and strength to thousands of women.

## Overlook the Real Cause of Common, but Mysterious Aches and Ills.

"Every Picture Tells a Story."

It is your duty to self and family not to neglect nor overlook the first symptoms.

Don't wait for a serious case of diabetes, dropsy, Bright's disease or gravel to develop. Doan's Kidney Pills is a simple vegetable remedy, yet very quick in its healing and strengthening action on the kidneys. It contains nothing of a narcotic, poisonous nor habit-forming nature, and can be taken by any man, woman or child, of even the most delicate state of health.

### RICHMOND PROOF.

Mrs. M. A. Davis, 317 South Pine Street, Richmond, Va., says: "I never used a medicine that did me as much good and in so short a time as Doan's Kidney Pills. I suffered off and on for months from kidney trouble, and my back ached intensely. I stopped or made a quick movement, it ached twinges darted through me, being particularly severe in my kidneys. Doan's Kidney Pills were finally procured at the Owens & Minor Drug Co., and I had only taken them a short time before every symptom of my trouble had disappeared. During the three months that have since passed I have had no further cause for complaint."
